

How Notes are Named

Music is written on a staff. The staff has 5 lines. Notes can be written on each of the lines, or in the spaces between the lines.

Notes on Lines

Notes in Spaces

There is a clef at the beginning of every staff. The clef used for the recorder is the treble clef. The treble clef circles the note G, and is sometimes called the G clef. The first seven letters of the alphabet, A-G, are used to name notes. Notes are named in order - A B C D E F G. After G is named, the letters are used again beginning with A.

Practice Naming Notes: Write the letter name of each note on the line below it. The first 2 notes are done for you.
